Consuming Narratives Gender And Monstrous Appetite In The Middle Ages And The Renaissance

A Companion To The Book Of Margery Kempe - Peter Heather - 2008-03-01

A Companion to the Book of Margery Kempe - Peter Heather - 2008-03-01

A collection of 17 essays by renowned scholars exploring representations of excessive appetites in Middle Age English texts and assessing the significance of these texts in the understanding of gender and race, and visual and textual analysis of the time. This book will be of interest to medievalists of all persuasions.

The Shape of Sex

By Bettina Bildhauer - 2003-01-01

The Shape of Sex is a pathbreaking history of nonbinary sex, focusing on ideas and individuals who allegedly combined or crossed sex or gender categories from antiquity to the late twentieth century. Written in an accessible and compelling style, this book will be of interest to students and scholars in philosophy, gender studies, history and art history, as well as postgraduate and undergraduate students in these disciplines. As an accessible and absorbing account of the history of nonbinary sex, this book will be of interest to anyone interested in how people identify with, express, and experience gender and sexuality.

The Masculine Self in Late Medieval England

By Michael Dylan Foster - 2009-05-15

This collection of essays explores the complex and multi-faceted nature of masculinity in late medieval England. It examines how the concept of masculinity was shaped by a variety of factors, including religious, social, and cultural influences. The contributors consider the ways in which late medieval men understood and lived their masculinity, and how this understanding and practice of masculinity was reflected in their lives and actions. The book will be of interest to scholars and students in the fields of medieval studies, gender studies, and social history.

The English Renaissance

By Derek G. Neal - 2009-05-15

The English Renaissance is a comprehensive and up-to-date guide to the literature and culture of the period. It covers all aspects of the English Renaissance, from the works of the key writers to the changing social and political context in which they lived and worked. The book is written in a clear and accessible style, and is designed to be an ideal introduction to the subject for students and scholars alike.

The Culture of the Book

By Jonathan Goldberg - 2011-01-01

The Culture of the Book is an introduction to the study of the history of the book, covering its production, distribution, and consumption from the Middle Ages to the present day. It explores the ways in which books have been produced, how they have been distributed and consumed, and the role they have played in shaping the intellectual, cultural, and social life of societies. The book is written in a clear and accessible style, and is designed to be an ideal introduction to the subject for students and scholars alike.
